- create a collage

PE – gymnastics and ball skills

We will:

- learn to throw and dribble balls
- develop rolling and balancing skills and use them in a sequence

Maths

We will learn:

- the properties of 2D and 3D shapes
- using and recognizing numbers to 20
- addition and subtraction within 20

Butterflies

Year 1

Spring: Term 3

Geography – What is the weather like where I live:

We will:

- learn about the weather where we live
- discuss how and why the weather changes daily and between the seasons

How I can help my child this term:

- Talk to your child about the weather in Plymouth and the surrounding area. How often does the weather change. What do we need to wear when the weather changes etc.
- Discuss the materials in your home and why they are important to be used to make different objects.
- read book bag books every day and click on the RWI links.
- learn the numbers to 20. This includes counting, reading and writing them correctly.
- practise precursive handwriting
- draw portraits of each other at home. Discuss the features on your faces.
- practise throwing and dribbling balls to each other

Science - Materials

We will:

- recognise everyday objects and the materials they are made from.
- investigate which materials are best for different purposes

RE – Judaism

We will:

- recognise Jewish prayer
- give examples of how Jewish people celebrate special times

Music:

We will:

- learn to sing in chant
- play an untuned percussion instrument

Spanish: Greetings

We will

- use some Spanish greetings.

PSHE – Dreams and goals

We will:

- Think about how we learn and how we achieve our goals
