

English

Reading

We will

- find answers to questions about a text using retrieval and inference.
- be aware of punctuation and think about our voice choice when reading aloud.

Writing

We will

- continue to add description to our writing, using noun phrases and adverbs.
- learn about past and present tense.
- become editors, thinking about how to improve our writing and check for spelling and punctuation.

Computing:

We will:

- make music digitally using 2Sequence.
- explore, edit and combine sounds.
- edit and refine composed music.

Art:

We will:

- learn how artists can look at the world in new ways.
- use our imagination to create art that people can enjoy.

PE:

We will:

- develop our ball skills through catching, throwing and dribbling.
- develop ways we can work as a team

Maths

Our mathematical learning will focus on

We will:

- continue to explore fractions looking at whole, halves, thirds and quarters of shapes and objects.
- learn to tell the time – o'clock, half-past, quarter past and quarter to.

Year 2

Summer Term 5

Geography:

We will answer:

- What is Dartmoor?
- Where is Dartmoor?
- How do/for what reasons do people use Dartmoor?
- What is the positive impact of people using Dartmoor?
- What is the negative impact of people using Dartmoor?

How I can help my child this term:

- Telling the time on an analogue clock—o'clock, quarter past, half past and quarter to.
- Practice addition and subtraction facts.
- Read daily and ask questions about it.
- Visit Dartmoor and talk about what you see.
- Grow something from a seed and talk about what it needs to be healthy.

Science:

We will:

- learn how plants grow and the conditions they need and how to keep them healthy.
- learn about seeds and bulbs
- think about the seasons and how plants Including trees change during the year.

RE:

We will:

- think about the question 'What is the "g" that Christians believe Jesus brings?'
- find out about the 12 people Jesus chose
- think about who in our lives are important to us.

Music:

We will:

- learn about percussion instruments and learn their names.
- explore the sounds we can create with them.
- think about timings and learn to keep a tempo.

PSHE:

We will:

- explore relationships of those people we trust.
- think about how to stay safe and positively resolve conflicts with our friends.
