Headteacher: Mrs Katie Patrick

Relocation Update 30th November 2018

On the 30th November, representatives from our school and WeST met with representatives from Plymouth City Council to discuss the progress with the new school. There have been a few delays with the planning decisions but we hope that these will be quickly resolved and work will start in January 2019. This means that the school completion will be some time during the Autumn of 2019. As promised, we will not move to our new school site until it is fully completed. We will continue to update you as information becomes available.

Confirmation of a mini-roundabout has been agreed by the planning department of Plymouth.

Thank you to those families who completed the travel survey. We have started to work with Plymotion on the Bike-it Plus project for 2019.
