

Dunstone Primary School

School Improvement Plan Priorities 2019 - 2020

- Further raise standards in **mathematics** through a mastery approach which develops the children's fluency, reasoning and problem solving.
- Further raise standards of attainment in Reading, Writing and Maths through embedding the teaching of **vocabulary** and use of **oracy** strategies.
- Develop and implement a new knowledge **rich curriculum** which secures deep learning, an enquiry approach and enjoyment across all subjects.
- Further improve the **progress** rates for all children across KSI through redesigning the provision.
- Promote children's **mental health and wellbeing** through emotional understanding, active learning and behaviour recovery.
- Promote staff **mental health and wellbeing** through a team ethos and continuing professional support and learning.
