

Keeping Safe at Dunstone Primary School

I will:

- Listen to the adults in my 'bubble' about how the school is different and what I now need to do in school to keep me safe.
- Ask the adults in my 'bubble' questions if I am unsure of the new rules.
- Work and play with the children in my 'bubble'.
- Try to stay two metres (3 big steps) away from other children as much as possible.
- Try not to touch other people.
- Not touch other people's things.
- Only bring to school: if I am in KS1, a book bag, water bottle and packed lunch (if not having a school meal) or if I am in KS2 a small bag, water bottle, packed lunch (if not having a school meal), fruit snack and pencil case (optional) to school.
- Wash my hands when I arrive at school, before and after eating, after I have been to the toilet and whenever the adult tells me to.
- Wash my hands carefully with soap for 20 seconds (singing happy birthday twice or counting to 20).
- Cough or sneeze into my arm or a tissue and throw the tissue in the bin.
- Only play with the toys and activities that I am told I can.
- Only use my own equipment in my pencil case and at my table and learning area.
- Stay where the teacher tells me to in the school building and playground.
- Follow the 'Show Me 5' and 'Remember 5' expectations.
