Dear Parents and Carers,

## RE: Opening of Morley Meadow Primary.

I am extremely pleased and excited to finally announce the opening date of Morley Meadow Primary as the 1<sup>st</sup> September 2021.

This date of relocation might be later than you anticipated but many factors have delayed the opening of the school. The fabulous school building is due to be completed in March but there have been delays with the main road to the site and the date for its completion has not yet been released. With the impact that the pandemic has had on schools and the possibility of reduced access to new resources, the school governors, the Trust and the school staff believe that a September opening will be the most appropriate time to welcome the children and families into Morley Meadow.

Following my visit to the site last week, I was really impressed to see the new vibrant, learning environment. I am very pleased to share some updated photos with you. (There are more on the website.)

Next steps are to finalise the new school uniform, order new equipment and work with the school community on developing the personality of Morley Meadow while keeping our Dunstone and WeST values at its core.

If you would like to discuss this further, please contact me on [headteacher@dunstoneprimary.co.uk](mailto:headteacher@dunstoneprimary.co.uk)

Yours sincerely

Claire Duncan  
Head Teacher
