

## Local Governing Body Review 2020/21

Once again the last year has been extremely challenging for everyone.

The LGB continued to meet virtually for most of the year but we were very happy to meet in person in June. Mrs Duncan has continued to provide us with reports and information about all aspects of life at Dunstone especially issues regarding safeguarding and the curriculum.

Governors have been involved with the appointment of staff, safeguarding monitoring, GDPR and Pupil Premium reviews. They also attended the final activities at Dunstone.

One of the highest priorities this year has been to ensure the successful opening of Morley Meadow Primary School. We are very grateful for the hard work and dedication of Mrs Duncan and her staff throughout the year especially their work in ensuring that the new school was ready for the children in September.
